The Pittsburgh Vintage Grand Prix, presented by Shop 'n Save, is our country's most unique vintage racing event. With nearly a quarter million auto enthusiasts it is our country's largest and only race contested on city streets. The July 15 & 16 event in Schenley Park is still free to spectators and showcases nearly 200 rare sports cars from the 40's and 50's competing on a challenging 2.33 mile street course lined with hay bales and stone walls. Watch the races from the Schenley Park Golf Course amid 1500 show cars and 50 sponsor tents.
